(Column) Sure, a house filled with family and friends for Thanksgiving dinner sounds wonderful, but then there's the prep and clean-up. If you prefer someone else do all the work, check out some of these places offering special dinners on Thanksgiving:

**3030 Ocean**, in the Fort Lauderdale Marriott Harbor Beach Resort, is offering a three-course prix fixe Thanksgiving menu for \$65 per person (excluding tax and gratuity). The first course includes your choice of roasted pumpkin soup or green salad. The second course is served family style and includes turkey breast and leg with mushroom dressing, green beans with onions, garlic mashed potatoes, cranberry-orange sauce and turkey gravy. Dessert is a pumpkin tart.

*Reservations are suggested, 954-765-3030 or 3030ocean.com.*
